

INTEGRATION OF CHILDREN WITH SPECIAL NEEDS POLICY

Date of approval: August 2004

To be reviewed as required

POLICY STATEMENTS:

That the Committee of Management and Director support the integration of children with special needs.

PROCEDURES

That the enrolment of children with special needs shall, where appropriate, be dependent on the provision of a trained integration aid.

That the number of children with special needs allocated to the kindergarten per group be determined by the Director and the Committee of Management according to the circumstances and based on merit.
